Personal Interests

Photography

Darkroom Printing

Restoring Things

Reading

Long Walks

Travelling

Art & Design

Music

Hard working and creatively driven with a proven technical background, photography has been my focus personally and professionally for the last nine years. I am proficient in both digital and analogue photography, constantly researching and looking to build upon my knowledge through practical experience and reading.

Career Experience

Photography Assistant

Freelance

2015 – Present

Assisting on shoot for clients such as Hackett, Sky, M&S, Primark and John Lewis to name a few.

Freelance Studio Assistant

Big Sky Studios

2016 – 2017

As a studio assistant my duties were looking after the studio & crew, painting the cove and resetting the studio at end of day.

Studio Technical Coordinator

Childrensalon

May 2013 – September 2016

My role was instrumental in ensuring the smooth running of the studio, responding to technical questions and troubleshooting, as well as equipment management & maintenance and studio set up.

I shot all in-house still life for social media, and images for digital banners and online editorial. I was also heavily involved in the majority of campaign shoots, assisting photographers such as Emma Tunbridge and Luciano Pegreffi.

Photographer & Retoucher

Rokit Vintage

April 2011 – February 2012

At Rokit, I both styled and photographed clothing, retouching it before it was uploaded to the online store.

Digital Photographer & Retoucher

Childrensalon

March 2007 – January 2011

As well as styling and shooting clothing, I retouched and uploaded the final photographs to the product listings. I also trained and offered guidance to junior photographers and retouchers.

Equipment Experience
